

Permission for Storage and Use of Audiovisual Materials

I confirm that quotations in my materials fulfill the requirements detailed in Articles No.32 and No.48 of the Copyright Act. Therefore, I permit NAIST to record my lecture and materials with the lecture archive system, and utilize these audiovisual materials in the following manner:

1. Lecture Information	Title: Date: Place:
2. Contents	<input type="checkbox"/> Lecture images(A) and images of presentation materials (B). <input type="checkbox"/> Materials Only (PDF file) ※Please send materials to lib-is@ad.naist.jp If you want to edit out parts of the lecture images, please list the areas below. ()
3. Access	<input type="checkbox"/> Free Access <input type="checkbox"/> Only NAIST Faculty, Staff, and Students
4. Permission	(1) To record my lecture(s) (2) To record my presentation materials or materials offered within them. (3) (a) To store the audiovisual materials on the hard disk, etc. of the NAIST Digital Library system. (b) To make a bibliography and table of contents, etc. of the audiovisual materials for viewing in the NAIST Digital Library database system. (4) To offer an information retrieval system for the access stated above to the database of the audiovisual materials. (5) To publically release my name and lecture title, date and place through the NAIST Digital Library database system.
5. Others	(1) I hold the copyrights of the audiovisual materials except for parts containing other author's materials. (2) I can cancel this permission whenever problems occur. (3) If there are any matters not provided for in this consent form, I will consult with NAIST.

I don't permit to record my lecture and presentation materials.

We would appreciate it if you would specify the reasons for this.
